Candice Register

Most of you might know me as Candice Maddox. I was born in Southwest Missouri and graduated from Neosho High School. In school, I participated in several organizations including FFA, FHA and school orchestra. After High School, I graduated from Crowder College with an Associate's Degree and then Missouri Southern with a Bachelor of Science Degree in Biology and a minor in Business. I spent 12 years in education as a teacher.

I have a 10-year old son that attends elementary school in Neosho. He is an active participant in the Southwest Missouri Special Olympics. We just finished bowling and basketball and are about ready to begin track. I transitioned from Education to Property Management to now Real Estate. I began my Real Estate journey in 2021 and since then I have helped many buyers and sellers.

I'm happy to be a part of the WestCobb Alliance. We are a team of 5 full-time agents and 1 part-time agent with over 50+ years of combined experience. We have strong community connections and are active participants in many organizations.

We strive to serve the members of our community and part of our service is to provide a FREE Real Estate Review because everyone deserves to know what their home is worth! Even if you are not thinking about selling at this moment, this is a great tool for decisions about refinancing and to discover the equity in your home. Please feel free to contact me at [832-579-8179](tel:832-579-8179) if you would like for me to do this complimentary Real Estate Review. There are no obligations and it only takes 10-15 minutes of your time.
